

# QUESTION WITHOUT NOTICE

## Legislative Council

ASKED BY: The Hon. Meg Webb MLC

ANSWERED BY: The Hon. Jo Palmer MLC

### QUESTION

Just to follow up on that, Mr President because I believe that it was shared on social media that they were involved in teaching primary school in February this year.

Are you able to follow up to see whether that's information you've been provided incorrectly, please minister?

### ANSWER:

Mr President, on indulgence I have an answer to a question asked by the member for Nelson relating to corporate visits to schools.

The Department for Education, Children and Young People has confirmed its advice to me that the *tassal* program you have referenced has not engaged with any Tasmanian Government schools in 2026.

While individuals and organisations may promote events, programs, services, or other activities on Facebook, the date of a post does not necessarily reflect when the activity occurred.

APPROVED/NOT APPROVED

Hon Jo Palmer

Minister for Education
